Speaker:

Dr. Sylvia Diehl

Dr. Sylvia Diehl is a nationally recognized expert in autism, early communication, and language development. She is known for her warm, practical teaching style and for helping families and educators turn research into meaningful, everyday strategies that support connection, communication, and learning.

Tickets are complimentary, but contributions are appreciated and can be completed at registration.

WE GET IT AND IT'S OK

💙 “We get it. And it’s OK. Motherhood is messy, beautiful, overwhelming, and real. You’re doing better than you think.”-CPC
