MENTAL HEALTH CHECK IN

OVERWHELM
"I feel like I'm
drowning in it all"

REMEMBER THIS

You're in a busy season of life, but it won't always be this hard. One day the things that are stressing you out will be a distant memory. Until then, your only job is to put one foot in front of the other and breathe.

TRY THIS

Make a list of 3 things that "actually" have to get done today and focus on that. The rest can wait till tomorrow.

SAY THIS

"I'll get it all done, but it doesn't all have to get done right now."

*Please note these are community events; contact their organizers for more information. Please see our website for a list of events happening at childcare centers, schools, and our LINKS Partners programs!
