FAMILY LEADERSHIP TEAM
Empowering Families
Nurturing Children

Abriendo Puertas/Opening Doors is a remarkable program designed specifically for parents and caregivers of children aged 0 to 5.

Through in-person and virtual training, parents gain insights into early childhood development, family well-being, and positive outcomes for their children.

The program includes the following:

- **Brain Development:** Successful methods of brain development
- **Early Childhood Development:** Cognitive, linguistic, physical, and social-emotional growth
- **Early Literacy:** Strategies for fostering literacy skills
- **Healthy Well-Being:** Promoting overall health and well-being

This initiative truly opens doors for parents, providing them with essential tools and knowledge to nurture their young children's growth and well-being.

SUMMER IS HERE!

Don't stress. There's lots of pressure (especially from social media) to pack in summer fun every single second of the day but that just isn't realistic. Remember that some boredom can be good for kids! It encourages creativity, independence and problem solving. So remember, don't run yourself ragged trying to do everything!
