Summer's finally arrived, and let's be real – some kids are stepping up as little superheroes, helping out at home. CPC is excited to offer a Babysitting Certificate for those who stay home and take care of their siblings. This training will equip them with essential skills to ensure safety and well-being while they take on their superhero roles.

RAINY DAY ACTIVITY STICKS

Grab a package of popsicle sticks (some call them craft sticks, but I am a child of the 90's so we still call them popsicle sticks) and a permanent marker.

- Write out a science experiment, board game, movie, craft, or item to bake on at least 20 sticks.
- Then place in a jar.
- Draw from the jar during a rainy day or when you are just bored and have nothing else to do.
- DO IT!

(Let the kids decorate the jar, makes it even more fun for them!)
