FLT MEMBER TESTIMONIAL

Hello, I'm Alexandra Alarcon, and I've proudly served on the Family Leadership Team for over 2 years. As a mother of three children, all born and raised in Grant County, our journey has been nothing short of a blessing for my family.

We lead an active lifestyle, with my children engaging in a wide range of sports and our strong involvement in the local community. Whether it's offering support to other families, fostering partnerships, or setting a positive example for my kids on the value of community, the CPC's FLT Team has been instrumental in all these aspects.

Having experienced the need for support firsthand, I understand the importance of providing assistance as our children grow. Being part of this team is a source of pride for me, as I believe in the power of community collaboration.

CPC serves as a robust support system, making our team's vision a reality, one step at a time. Let us guide you in taking that crucial first step towards your goals!
